SIR Luncheon Meeting

Big SIR Bob Kline 432-2107

Here we are, watching the days get short and the leaves beginning to fall but still enjoying warm but great golfing weather. Speaking of golfing, there are only two outings left this year. Our next outing is at Plumas Lake and lunch is included in the \$42 fee. Sign up with Ed Quintal at the luncheon. Let's have a great turnout!

There are several bargains available to SIR branches on the SIRINC web site. Check out the khaki golf caps with the SIR logo for one. We can order packs of 10 for only \$102. If you are interested, let our Treasurer Bill Stamatis know and if we get enough demand we'll place the order.

Once again, thanks to all SIRs who have matched their annual pledge. Our treasury is now breathing even easier. Be a Friend, Bring a Friend. See you at the October meeting.

"We're thankful that Grier Rudy shared his life with us. We will miss his intellect, fellowship, good humor, friendship and active participation in SIR."

Golf Ed Quintal 432-9399

The SIR Sept. Tournament at LWW was a big success. The Clubhouse had barbequed hamburgers and hot dogs for purchase. We had enough Golf Carts for everyone. The bar did a brisk business and everyone appeared to have fun.

Little SIR Ron McGee 432-3268

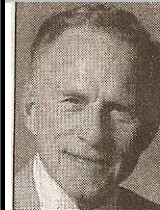

In tune with the price of gold soaring, this month's speaker is **David Watkinson**, Chairman and CEO of the **Idaho-Maryland Mining Co.** He will give us an update on the recertification and reopening of the mine.

November's speaker will be **Nick Wilcox**. He will tell us how the **Nevada Irrigation District (NID)** satisfies its Mission Statement.

The **December Christmas meeting** will feature the beautiful voices of the **Nevada Union High School Choir**.

Until We Meet Again SIR Rudy

Grier Catherman Rudy passed away on Friday, Sept. 9, 2011. He was 90. He graduated from Tri-State University as an aeronautical engineer. He helped on the design of the cabin of the Goodyear blimp. He joined the Army in 1944. He was a 1st Lieutenant in the 808th Aviation Engineering Battalion, which built an airport. After the Army, he worked as a senior staff engineer on space programs at Lockheed in Sunnyvale. Grier loved his family, friends, golf, and photography.

"Say not in grief he is no more...but live in thankfulness that he was..."
